10/ 2 ART 370 of Mysore Public Works Account Code lays down that Stores are sold to Public or other Departments of Government, including State Railways, an addition of 10% must be made to cover charges, on account of Supervision, Storage and contingencies Accordingly this Centage has been claimed.

11/ Relaxation of rules on this behalf will lead to loss of Revenue to Government and would create a precedent to other Municipalities or local bodies- It therefore seems necessary to lay this Centage
